FEW GLIMPSES OF CAREER EDUCATION FAIR

This year, as we have been able to fight the volatile situation slowly, we want to conduct the event "Education Interface 2023" at Netaji Indoor Stadium as it fetches more valuable results than any virtual platform. Career Planner Edu Fair wants to organise this tentatively in the mid of May, supported by APAI, affiliated MAKAUT Colleges, under WBJEE. This is an earnest endeavour aiming to amalgamate students and educational institutions under one roof and provide them the best solution for their career.

WHAT WE OFFER IN EDUCATION INTERFACE

Awareness amongst students regarding the noble initiative taken by West Bengal Govt. of offering "West Bengal Student Credit Card Scheme" wherein a student can avail a soft loan to pursue higher studies with the help of the credit card.

Participation of all West Bengal Colleges and Universities to showcase their infrastructure, culture and programs to a diverse prospective student base.

Pre-counselling session to students under one roof after WBJEE results; guide the students in the correct path and convey a golden opportunity to the students in choosing an intelligent method to select the right course offered by the educational institutes for carving a best career selection in their life.
